

Safety & Prevention
Congress & Expo **2024**

International congress and expo event

Ljubljana,
23. - 24. October 2024

Call for speakers at international conference

»Conference on Safety and Prevention«

and at national conference

»Konferenca o varnosti in preventivi«

An international congress and expo event Safety and Prevention 2024, which will be held on 23rd and 24th of October 2024 in Ljubljana, will include international and national conferences, several meetings and seminars. The event will be held at Ljubljana Exhibition and Convention Centre. The main focus of the event will be on fire safety and on safety and health at work, with addition of topics on security and environmental protection.

The national conference in Slovenian language will be held on Wednesday, 23rd of October. International conference titled »Conference on Safety and Prevention«, will be on 24th of October with presentations in English.

Professionals and researchers are invited to prepare and submit your contributions!

The topics of both conferences will include but will not be limited to:

Section 1 – Fire Safety:

- Fire safety in buildings
- Fire safety and alternative energy sources
- Inclusive evacuation
- Active and passive firefighting measures
- Fire risk assessment
- Advanced design methods
- Good practice example of fire safety and prevention
- Fire safety and sustainability
- Case studies of fire events

Section 2 – Safety and health at work:

- OSH: The role of new technologies
- Best practices of OSH

Section 3 – Topics from fields of Environmental protection and Security

INSTRUCTIONS FOR AUTHORS

Authors are invited to submit abstracts of proposed papers before the 5th of June 2024. Please send the abstract to info@safetyandprevention.si. At the submission, please specify for which conference (national or international) and for which Section is your contribution intended. You will receive comments and additional instruction for preparations of your paper and presentation by 10th of June. All papers will be peer-reviewed and Conference proceedings will be available online on the conference website. Selected papers will be eligible for publication in Slovenian professional journal Požar.

TECHNICAL INSTRUCTIONS FOR ABSTRACTS

The length of the abstract should be no more than 15 lines. The abstracts should include:

- Exact title of your paper,
- Intended conference (national or international) and its Section,
- Author's name, surname and title,
- Affiliation,
- Corresponding authors email address.

Please add also some of your references.

Abstracts for international conference must be in English, while for the national conference they should be in Slovene.

IMPORTANT DATES:

- 5th June 2024: abstract submission deadline,
- 10th June 2024: notifications of authors about their contribution's acceptance,
- 30th August 2024: paper submission deadline
- 15th September 2024: notifications of authors about reviewer's comments,
- 30th September 2024: reviewed paper submission deadline
- 23rd October 2024: national conference
- 24th October 2024: international conference

Sincerely,

Dr. Aleš Jug, chair of steering committee
